About BB+M:

BB+M Architecture is a well-established, growing, and award-winning firm in Charlotte, NC. We don't just have a passion for design, but we also find joy in the journey and success of our clients.

At BB+M, we believe you should be good at what you do, love what you do, and (most of all) not take yourself too seriously. Our clients respond well to that attitude, and our work and casual environment reflect it. BB+M's culture is critical to our success. Candidates should have a positive, ego-free attitude, a willingness to learn, and enjoy working in a team environment.
